PEARL Pearl Demon XR Double Pedal

Speed and Simplicity – this is what the Demon XR Pedal is all about. Completely engineered to meet the need of fast drummers, this pedal delivers as much BPM as possible right out of the box. Enter the world of lightning fast drumbeats with the smooth longboard playing surface, NiNjA Bearings and the all new Extreme Impact Beater. The Double Pedal comes along with our Z-Link universal linkage, having nearly zero latency and fitting the proprietary machined aluminum design just perfectly.
