SABIAN 20" AA Marching Single

SABIAN 20” AA Marching Band cymbals are a medium-heavy weight pairing that provide full-bodied bright tone with long sustain. SABIAN 20" AA Marching Band pairs are popular in both regular and brilliant finishes, and commonly used in cymbal lines comprised of different-sized pairs. Their weight delivers a moderate pitch spread, allowing them to sound like a washy ride when played with sticks. They are best-suited for high school and collegiate bands.
