SABIAN 18" STRATUS CHINESE

With a full range of frequency and sonic versatility, the STRATUS series is designed for the modern drummer. Crafted from B20 bronze and featuring STRATUS high impact hammering, this series features clear articulation, a warm wash and musical spread, and strikes the right balance between versatility and professional performance in a beautiful design. The 18" STRATUS China model was one of the most popular models during our extensive R&D collaboration with our dealers and distributors. It delivers a quick biting attack that isn't overbearing and has a fast decay.
