SABIAN Stratus Promotional Set

The STRATUS Performance Pack, which features the 14" hi-hats, 16" crash, 18" crash, and 20" ride models from the STRATUS series. The 14" hats deliver an articulate attack with a warm, semi dark spread. The 16" and 18" crash models are quick and controlled with a lower tone and explosive attack. The 20" ride is articulate with a warm undertone that builds to a controlled wash and a strong clear bell.
