SABIAN 10" HHX Splash Brilliant Finish

Fast, biting and colourful, with punchy attack and rapid decay rate for increased bite – the SABIAN 10" HHX Splash is a Modern Dark Splash cymbal that projects darkness. Until HHX, it was impossible to project darkness. But the dark, simmering sound, agitated bite and "Tone Projection" design of HHX makes this series more effective than others. Other cymbals may generate darkness, but HHX stirs up more simmering heat, more musical dirt, more of what drummers want to hear – and projects it. It gets you heard. And felt. HHX "Tone Projection" is an innovative design, created by the SABIAN Vault team.
