SABIAN 14" HHX Complex Medium Hats

Using trickle down technology gleaned from years of developing some of the world’s top selling cymbals lines like Evolution, Legacy, and even Artisan, SABIAN introduces HHX Complex, a new line of exquisitely dark cymbals. The 14” Complex Medium Hats employ a combination of HH and HHX hammering, a raw bell, and a number of the aforementioned proprietary techniques – resulting in one of the richest, fattest set of Hats SABIAN has ever produced. The raw bell design on the over-hammered pairing of a Medium top over a Heavy bottom results in a very solid foot, dark cut when closed, and sizzling fat tone at all times. The versatility to easily cross musical styles has always been a hallmark of the HHX line, and the 14” HHX Complex Medium Hats are no exception.
