SABIAN 14" HHX Legacy Hat Bottom

Very responsive pairing that delivers clean, crisp stick articulation and solid pedal "chick", with warm, tonal colour. Like all HHX Legacy models, SABIAN 14" HHX Legacy Hats are musically deep, dark and rich. Until HHX, it was impossible to project darkness. But the dark, simmering sound, agitated bite and "Tone Projection" design of HHX makes this series more effective than others. Other cymbals may generate darkness, but HHX stirs up more simmering heat, more musical dirt, more of what drummers want to hear – and projects it. It gets you heard. And felt. HHX "Tone Projection" is an innovative design, created by the SABIAN Vault team.
