SABIAN 14" HHX Medium Hat Top Brilliant Finish

New 14” HHX Medium Hats introduce a whole new design to the HHX line. Starting with a round of sparse hammering, followed by lathing, then denser HHX hammering over top, the result is a pair of Hats that is thinner, darker and faster. A slightly larger bell boosts volume and power – but these are Hats that trend lighter in weight than most Medium Hats. The versatility to easily cross musical styles has always been a hallmark of the HHX line, and the 14” HHX Medium Hats deliver with great stick, solid foot and warm, crisp response!
