SABIAN HHX Complex Promotional Set

Using trickle down technology gleaned from years of developing some of the world's top selling cymbals lines like Evolution, Legacy, and even Artisan, SABIAN introduces HHX Complex, a new line of exquisitely dark cymbals. Featuring a combination of HH and HHX hammering, raw hammered bells, and proprietary technology, HHX Complex are some of the richest, sweetest cymbals SABIAN has ever produced. The versatility to easily cross musical styles has always been a hallmark of the HHX line, and the HHX Complex Promotional Set – with 14" Complex Medium Hats, 16" Complex Thin Crash and a 20" Complex Medium Ride together with a FREE 18" Complex Thin Crash – is no exception.
