SABIAN 10" FRX Splash

The FRX 10" Splash offers super-quick, pristine response that always sits perfectly in the mix. It is 100% pure splash tone, and never gets in the way of other live mics on the stage. FRX cymbals are designed for playing environments where traditional cymbals are just too much. They are not low volume practice cymbals, rather they are professional B20 Bronze cymbals, offering complex and versatile tone across the entire line.
