SABIAN FRX Prepack

Introducing the FRX PrePack Set with free Classic Vintage Cymbal Bag. Right from the launch of the FRX line, drummers have been asking for an FRX box set, and SABIAN has delivered. With 14" Hats, 16" and 18" Crashes and a 21" Ride, the FRX PrePack Set offers a total solution for drummers who play in situations where traditional cymbals are just too much.
