SABIAN 10" HH Splash

Small, thin and fast, the SABIAN 10" HH Splash dishes out low-pitched dark tone with its own unique character. SABIAN introduces HH Remastered – with more hammering, more complexity, and more tone. As a result, HH Splashes deliver faster responses and warmer tone. Much like a remastered classic album is taken from the great to the sublime, HH Remastered adds complexity and tone to each cymbal, delivering unmatched sonic texture across the entire line.
