SABIAN 21" HH Vintage Ride

With its high shape and large bell, the SABIAN 21" HH Vintage Ride is big on volume and tone. Great for jazz, rock and beyond. SABIAN introduces HH Remastered – with more hammering, more complexity, and more tone. As a result, HH Rides sound more traditional and complex. Much like a remastered classic album is taken from the great to the sublime, HH Remastered adds complexity and tone to each cymbal, delivering unmatched sonic texture across the entire line.
