SABIAN 22" HH Rock Ride

Powerful high-end cut and warm tone combine with a bright bell to make the SABIAN 22" HH Rock Ride a loud, penetrating ride with plenty of character. SABIAN introduces HH Remastered – with more hammering, more complexity, and more tone. As a result, HH Rides sound more traditional and complex. Much like a remastered classic album is taken from the great to the sublime, HH Remastered adds complexity and tone to each cymbal, delivering unmatched sonic texture across the entire line.
