SABIAN HH Low Max Stax Set

Designed for Mike Portnoy, this stacking of a special design China Kang over a special-design Splash or Crash – depending upon which model – provides a rapid-fire burst of attack. The SABIAN 8" High Max Stax features an 8" China Kang over an 8" Max Stax Splash – both cymbals have unlathed edges for durability and power. The 10" Mid Max Stax features a 10" Max Stax China Kang over a 10" Max Stax Splash – again, both cymbals are designed with unlathed edges for power and toughness. And the 12" Low Max Stax features a 12" Max Stax China Kang over a 14" Max Stax Crash. SABIAN introduces HH Remastered – with more hammering, more complexity, and more tone. Much like a remastered classic album is taken from the great to the sublime, HH Remastered adds complexity and tone to each cymbal, delivering unmatched sonic texture across the entire line.
