SABIAN 10" XSR Splash

Crafted from pure SABIAN B20 Bronze using trickle-down technology from award-winning Evolution and X-Plosion cymbals, XSR delivers unrepresented sound and performance at a price designed to fit your cymbal budget. The fast, bright response of the small, extra-thin SABIAN 10" XSR Splash is ideal for quick, splashy punches and accents that cut in any musical setting. XSR is not a budget series, but rather a line of smartly-priced cymbals that would not be out of place on any drum kit, on any stage.
