SABIAN 13" XSR Hats

Crafted from pure SABIAN B20 Bronze using trickle-down technology from award-winning Evolution and X-Plosion cymbals, XSR delivers unrepresented sound and performance at a price designed to fit your cymbal budget. With a highly-responsive medium-weight top for accurate sticking response, and a heavy bottom to boost clarity and cut, SABIAN 13" XSR Hi-Hats are an extremely versatile pairing. XSR is not a budget series, but rather a line of smartly-priced cymbals that would not be out of place on any drum kit, on any stage.
