SABIAN 14" XSR X-Celerator Bottom Brilliant Finish

Crafted from pure SABIAN B20 Bronze using trickle-down technology from award-winning Evolution and X-Plosion cymbals, XSR delivers unrepresented sound and performance at a price designed to fit your cymbal budget. Bright, crisp and accurate, 14" SABIAN XSR X-Celerator Hats are smartly designed to eliminate air-lock. This results in incredible clarity of tone, a quality you simply won't find in any other hats at this price point. XSR is not a budget series, but rather a line of smartly-priced cymbals that would not be out of place on any drum kit, on any stage.
