SABIAN 16" XSR Fast Crash

Crafted from pure SABIAN B20 Bronze using trickle-down technology from award-winning Evolution and X-Plosion cymbals, XSR delivers unrepresented sound and performance at a price designed to fit your cymbal budget. Combining the response of a thin model with the increased power of a medium-weight, the SABIAN 16" XSR Fast Crash is a highly versatile and effective crash, ideal for any drummer playing any musical style. XSR is not a budget series, but rather a line of smartly-priced cymbals that would not be out of place on any drum kit, on any stage.
