SABIAN 18" XSR Chinese

Crafted from pure SABIAN B20 Bronze using trickle-down technology from award-winning Evolution and X-Plosion cymbals, XSR delivers unrepresented sound and performance at a price designed to fit your cymbal budget. Use the SABIAN 18" XSR Chinese to play bright, but dirty ride patterns or fast, attacking accents. Its raw, nasty response is tonally tight and highly aggressive. XSR is not a budget series, but rather a line of smartly-priced cymbals that would not be out of place on any drum kit, on any stage.
