SABIAN 22" XSR Ride

Crafted from pure SABIAN B20 Bronze using trickle-down technology from award-winning Evolution and X-Plosion cymbals, XSR delivers unrepresented sound and performance at a price designed to fit your cymbal budget. The SABIAN 22" XSR Ride is a bold, punchy ride cymbal, ideal for most musical styles. A tasty balance of stick definition and tonal wash ensures a clean, musical sound at all volumes, with a mid-size bell for playing solid grooves. XSR is not a budget series, but rather a line of smartly-priced cymbals that would not be out of place on any drum kit, on any stage.
