SABIAN 19" HHX Overture Single Br.

SABIAN’s HHX Overture pairs are a new generation of hand cymbals designed for today’s modern musical requirements. No matter how large the ensemble you are part of your cymbal sound will not be lost: HHX Overture cymbals achieve high levels of projection with warmth yet without any harshness. These easy-to-play cymbals bring SABIAN’s famous HHX sound to players of all abilities and ensemble type - professional orchestras, collegiate marching bands, drum corps, WGI ensembles, high school concert bands, and orchestras – they do it all!
