SABIAN 19" Artisan Suspended

Award-winning SABIAN 19" Artisan Suspended Cymbals are hand-hammered from pure SABIAN B20 bronze. They are highly sought after by professional and collegiate ensembles, as well as discriminating high schools. The unique design and high-density hammering of Artisan Suspended Cymbals allow them to deliver quick responses. Although they are characteristically dark, they provide an extremely wide range of low, mid and high partials, while offering enhanced projection. 19" Artisan Suspended Cymbals are a great choice for bands and orchestras when a general suspended cymbal that produces dark sound with quick response at loud volumes is required. As a 19" cymbal, it won't be as sensitive as smaller cymbals at softer dynamics, but a 19" cymbal will generally be more sensitive than a 20" cymbal.
