SABIAN 20 " Artisan Suspended

Award-winning SABIAN 20" Artisan Suspended Cymbals are hand-hammered from pure SABIAN B20 bronze. They are highly sought after by professional and collegiate ensembles, as well as discriminating high schools. The unique design and high-density hammering of Artisan Suspended Cymbals allow them to deliver quick responses. Although they are characteristically dark, they provide an extremely wide range of low, mid and high partials, while offering enhanced projection. SABIAN 20" Artisan Suspended Cymbals are a great choice for bands and orchestras when a large cymbal delivering dark sound with quick response at loud volume is desired. As a 20" cymbal, it won't be as sensitive as smaller models when played at softer dynamics.
