SABIAN 17" STRATUS CRASH

With a full range of frequency and sonic versatility, the STRATUS series is designed for the modern drummer. Crafted from B20 bronze and featuring STRATUS high impact hammering, this series features clear articulation, a warm wash and musical spread, and strikes the right balance between versatility and professional performance in a beautiful design. The 17" crash is quick and controlled with a lower tone and explosive attack. The thin weight produces a quick decay with a deep tone that sits perfectly in today's music.
