SABIAN 20" STRATUS ZERO

With a full range of frequency and sonic versatility, the STRATUS series is designed for the modern drummer. Crafted from B20 bronze and featuring STRATUS high impact hammering, this series features clear articulation, a warm wash and musical spread, and strikes the right balance between versatility and professional performance in a beautiful design. The 20" STRATUS Zero is a new design capturing a mix of sonic properties combining the o-zone darkness and added highs from the aero design. This combination delivers a fast trashy cutting attack."
