D'ADDARIO ECO-COMFORT UKULELE STRAP
CORAL

The D'Addario Eco-Comfort Ukulele Strap line is an eco-friendly soundhole hook style strap made specifically to support all Ukuleles with a standard soundhole. The full line is made from an Eco-Friendly fabric, made from recycled water bottles, and is super comfortable while also being super durable with a color scheme inspired by beach elements. The hook is made from a soft rubber that will not harm or scratch your ukulele but is strong enough to support the weight of the instrument.

- Soft and durable eco-friendly strap material made from recycled plastic bottles
- Soundhole hook made from durable soft rubber
- 5 beach inspired color designs available

D'Addario is known for innovative, problem-solving, quality musical accessories, offering a complete line of award-winning accessories including cables, picks, tuners, capos, straps, humidifiers, maintenance tools and more.
