AKG CK 97/O

Accurate miniature omni capsule for general clip-on miking
Quick-lock bayonet mount for easy connection to powering unit SE 300 B

This tiny lavalier capsule features flat bass and midrange response, while a gentle rise around 8 kHz crisply accentuates voices. Omnidirectional pattern allows natural sound reproduction with no proximity effect, while high sensitivity and low selfnoise combine for exceptional performance.
Foam windscreen, tie clip, and tie pin included.
