HUGHES & KETTNER SWITCHBLADE 100 COMBO

The Switchblade 100 combo has four channels that put the full arsenal of classic tones at your fingertips, from spine-tingling clean and crunch to singing lead and crushing, saturated sound. It seamlessly integrates all-tube preamp and power sections with full programmability, digital FX, and a professional switching system that gives you easy access to the 128 preset slots. 100 watts of power are pumped through 2 - 12" Eminence Rockdriver 60 speakers.

The included FSM 432 MIDI footswitch allows instant switching between presets. Onboard digital effects including reverb, delay, chorus, flanger, and tremolo.
