CASCHA HH1610IT PROFESSIONAL BLUES HARMONICA SET

Cascha Professional Harmonica
CASCHA Professional Blues Harmonica The CASCHA Professional Blues Harmonica offers professional quality for a small budget. Its fine appearance and easy handling lots of fun. The harmonica is not only perfect for ambitious musicians, it‘s also the best choice for beginners. The C major diatonic tuning is the most popular type used with blues harmonicas. It‘s a lot more difficult to play higher notes on a cheap instrument. Because of the high quality phosphor bronze reeds the CASCHA harmonica offers a clean and brilliant sound in every pitch. Being an all-round instrument, it can be played in a solo performance as well as in a duet with a guitar or ukulele. You can easily play single notes or multiple notes at the same time. The CASCHA Professional Blues Harmonica incl. soft case and cleaning cloth is an instrument, which will you long-lasting pleasure.

Harmonica: Learn to play - quick and easy (incl. MP3-CD)
You can quickly start playing the first songs on your harmonica with this course. The combination of instructional book and MP3 CD offers every beginner the perfect introduction. The most important basics are explained concisely and simply. Then you can start playing! The ability to read sheet music is not necessary, everything you need is additionally represented with simple symbols. On the accompanying CD all exercises and songs are included. There are great playback songs in two versions: with the harmonica playing first as an example, then without harmonica, so you can play along. This way you can listen to everything carefully and then play with accompaniment.
It makes harmonica playing fun!
