D'ANGELICO EXCEL MOTT ACOUSTIC BASS LEFT HAND - NATURAL

A redesigned version of our standout acoustic bass, the Excel Mott has returned. With a 16-inch-wide body featuring a solid Sitka spruce top and rosewood back and sides, the Mott is warm and sonorous. It features a slim C-shape mahogany scarf neck allowing for maximum comfort and playability. And on-stage amplification is simple and reliable with the Fishman INK-4 onboard preamp and tuner. Featuring D'Angelico's signature appointments, the Mott's aesthetics match its stunning tone.
