DEAN VENDETTA BASS VNB4 + EMG BTS PREAMP
- TRANSPARENT AMBER

For bass with a killer style and a rocking tone check out the Dean Vendetta Bass 4. Perfect for beginners and pros alike, you'll be set for life. For almost 40 years, Dean Guitars has been the benchmark for musicians of all tastes and styles. With an eye-popping and absolutely staggering collection of instruments, spanning almost every conceivable genre, guitar players don't have to venture out there alone. Define your sound and style with a Dean in your hands.

This Vendetta VNB4 model comes with an EMG BTS Preamp installed in for a thicker and greater sound!
