ELITE ACOUSTICS A1-4-CFB

Elite Acoustics Engineering's A1BR8 Compact Portable Rechargeable Mini-PA Speaker features: 3 channel input with 16 effects and a 4 inch woofer that is paired with a 1 inch tweeter to provide maximum clarity. The cabinet is constructed with MDF for high fidelity sound. This Class D bi-amp speaker can also be powered and charged from the car (charger included) and once fully charged, the speaker can get over 15 hours of play time. Stream your music wirelessly with the built-in Bluetooth that features audio playback. Other features included are mounted POTs/Jacks, metals chassis for durability, microphone/instrument/line input with pan/level control, two 1/4 stereo (left/right) input jacks, and one AUX input with level control. In addition, the A1BR8 includes a 3-band Master EQ, Effects/Mix level control, Master volume control, built-in handle, integrated 35mm pole-receptacle, switchable direct out or line-level monitor output to daisy chain additional powered speakers for larger areas, and a built-in overcharge/over-drain protection for a longer battery life. It is convenient to carry to a tailgate or a small party at the park. The A1BR8 is speaker that is an amplifier and mixer, all in a compact, portable design that doesn't compromise on sound. Designed and assembled in USA.

### Specs:
