PLANET WAVES CGTRA-10 CLASSIC SERIES INSTRUMENT CABLE RIGHT ANGLE PLUG 3 M

PLANET WAVES CGTRA-10 CABLE

D'Addario Classic Series instrument cables provide the ultimate in quality and value.

- In=Out Technology: Low capacitance for pure signal transparency
- Molded plugs offer protection and strain relief
- Shielding provides noise rejection for quiet operation
- Straight-to-straight 1/4-inch plugs for standard input jacks
- 2 year warranty

D'Addario Classic Series instrument cables provide the ultimate in quality and value. The 5-foot length is ideal when sitting stationary and plugging into nearby pedals or amp.
