CORT GA5F-PF NATURAL

The new Grand Regal Series from Cort is based on the popular Grand Auditorium body shape that sits right in between the dreadnought and concert-size shapes for a full but balanced sound. The 45mm nut width also makes it ideal for fingerstyle playing. With solid Sitka spruce top with mahogany back and sides, solid European spruce top with Pau Ferro back and sides and solid red cedar top with blackwood back and sides, the Grand Regal Series offers variety of choices to suit virtually any musical style and taste.
