LAX 003 JUBILEE RNJ25 - SUNBURST

The Century Jubilee Series Troubadour guitar is built with the same care and attention to detail as all Recording King instruments. The Troubadour’s design is based on the classic Nick Lucas style guitars of the 1920’s. To achieve the legendary Recording King tone, the top is made of solid Sitka spruce and voiced with hand-shaped, fully scalloped x-bracing. The all-solid back and sides are made from solid figured maple. The 4 1/2” extra-deep body helps to add significant volume and bass for players looking for full, round tone and projection. The “C” profile neck is made from a single piece of solid mahogany with traditionally styled inlay on the rosewood fretboard.
