FLAXWOOD VOIMA - OILED ROCK

Humbucker muscle and single coil clarity

To bring you the best of two worlds, the Flaxwood Voima (voima = strength, vigour, fortitude, force) features two humbuckers and one single coil pickup, all Seymour Duncan. Like the Laine, the Voima also comes equipped with a blender pot, which gradually blends the neck pickup signal with that of the bridge pickup, giving you a virtually limitless sonic palette from which to find your sound.
