S Classix Series

The new Sonor S Classix Series is designed for advanced and professional drummers alike, and for admirers of the classic Sonor looks of the 1960's and 1970's. Combined with the very latest features and timeless retro finishes, the Sonor S Classix set is becoming the centrepiece of the Sonor drum series.

With an extensive range of individual components to choose from, the S Classix series offers everything you could want in a genuine Sonor drum series.

Sonor S Classix Sounds

With its thin birch shells made of Scandinavian birchwood, this series offers a convincingly pithy and compulsive sound with powerful treble and mid-range pitches and well-balanced deep tones. Whether it's classic '60s beat, monster '70s grooves or modern performance - with a Sonor S Classix set, you're equipped for anything.
