JOYO JF-314 IRONMAN HUSKY DRIVE

The JOYO JF-314 Husky Drive Overdrive Mini Guitar Effects Pedal is just gives you nice FAT sound. Many of us mere mortals will never get to appreciate the wide throbbing sound of a power amp distortion and that is where the Husky drive will shine. Giving you the sound of power amp distortion without any flabbyness right at your feet. The husky drive will give you the fatness and overdrive of a power amp at full blast.
