REMO PS-0314-00 PINSTRIPE 14" CLEAR

The pinstripe® clear features midrange tones with low-end and increased durability.

Constructed with 2-plies of 7-mil clear film, pinstripe® clear drumheads have an overtone reducing agent applied between the 2-plies providing overtone control with increased attack.

The pinstripe® series is one of the world's most popular drumheads.

Available in sizes 6" - 30".

- Ideal for pop, r&b and rock applications
- Available in sizes 6" 30"
- ply 7-mil clear film
- Features midrange tones with low-end and increased durability
