REMO PS-0316-00 PINSTRIPE 16" CLEAR

The pinstripe® clear features midrange tones with low-end and increased durability. Constructed with 2-ply of 7-mil clear film, pinstripe® clear drumheads have an overtone reducing agent applied between the 2-ply providing overtone control with increased attack. The pinstripe® series is one of the world's most popular drumheads. Available in sizes 6" - 30".

- Ideal for pop, r&b and rock applications
- Available in sizes 6" - 30"
- ply 7-mil clear film
- Features midrange tones with low-end and increased durability
