SELA 028 CAJON FINISH SET, BOTTLE 100ml,

The Sela Cajon Finish Set is perfect for all unvarnished Sela Cajon Kits. It has been specially developed to protect the cajon, giving it the perfect look. The practical dispenser bottle and the enclosed brush make the application very easy. Just pour the required quantity onto the brush and spread it. The finish is applied in 3 steps: priming, fine sanding and varnishing. After the treatment the cajon shines in a great velvet look, which particularly highlights the high-grade wood veneer of the playing surface. It is protected from moisture, and stains can be wiped off with a damp cloth. The Sela Cajon Finish is especially environmentally friendly.
