SABIAN 12280N BIG&UGLY HH NOVA RIDE 22"

Like that one-of-a-kind cymbal you find in a dusty rack at the back of a music or pawn shop, the Nova delivers extremes – as in, extremely low and extremely dry. So if you like being out on the edge musically, this may be the Ride for you.

Style: vintage
Metal: b20
Sound: dark
Weight: medium thin
