SABIAN AA ORCHESTRA VIENNESE 17"

SABIAN 17" AA Viennese pairs are medium-weight and have moderate sustain, which makes them great general purpose cymbals. They are very popular because of their ability to blend with a variety of musical situations.
SABIAN 17" AA Viennese produce clear articulation and are suitable for soft, march-like passages or when playing attached cymbal and bass drum.

- Medium weight provides combination of sound and durability
- Bright tone blends well in a variety of settings
- Produces a full sound with a moderate sustain
- Quality protected by SABIAN Two-Year Warranty
