SABIAN SBR5003 PERFORMANCE HH14"- CRASH 16" - RIDE 20"

The Sabian SBR Performance Cymbal Set gives your kit wonderfully crisp, bright, and expressive top end. If you want a focused cymbal sound, these are the cymbals for you. The Sabian SBR Performance Cymbal Set gives you clean and penetrating 14? SBR hi-hats and the lively definition of a multi-purpose 18? SBR ride/crash. It?s a wonderful way to add new life to your kit, without breaking the bank.
