

## GRAVITY MS23W ASTA MICROFONO DRITTA BASE TONDA WHITE

## Caratteristiche:

- Asta microfonica dritta con base tonda bianco
- Struttura solida e resistente
- Base estremamente stabile e resistente
- Maneggevolezza ergonomica
- Anelli colorati sostituibili

The MS 23 is a premium-quality microphone stand with thick walled tubing, white powder-coated finish and 168 cm maximum height. The exceptionally stable round base, made of cast iron, is equipped with a rubber bottom to provide acoustic isolation and protect surfaces.

For smooth, durable height adjustment, the MS 23's handle is made of high-grade ABS with a soft touch, non-slip thermoplastic coating for comfortable operation. The custom-designed retainer requires no tools for quick and secure microphone clip attachment. VARIWEIGHT® compatible – patented stability system for secure holding and simple transportation by means of an insertable weight disc.

An additional set of black coding rings is included with the MS 23' more ring packs are available in a wide array of colours for instant personalization.
