GRAVITY HPHTT01B SUPPORTO PORTA CUFFIE

Caratteristiche:

- Design elegante
- Può contenere fino a 2 paia di cuffie o auricolari
- 2 pratici passacavi
- Base e torre in alluminio

Designed for both home and professional use, this elegant table-top headphones stand securely holds up to two large sets of headphones. Convenient slots on the holder facilitate convenient and tidy routing and storage of cables or ear buds. The stand features a die-cast aluminium base and tower construction, whereby the holder itself is made of plastic with a rubberised finish.
