JEFF PORCARO

Porcaro, JeffJEFF PORCAROIn this DVD, Jeff Porcaro describes his approach to straight time, triplet and shuffle feels, as well as Latin grooves. Jeff breaks down a variety of drums patterns including his most famous groove from Toto's megahit Rosanna. This jam-packed, 34-minute program is full of helpful suggestions on such topics as half-time shuffles, bass drum pedal technique and a host of other personal tips. You will see that by using different accents and timing techniques you can achieve a wide variety of effects on the high hat. A live band setting, featuring his brother Michael on bass and studio musician, songwriter David Garfield on keyboards, creates an exciting atmosphere to help demonstrate Jeff's famous grooves. This is truly a unique opportunity to receive a private drum lesson from a versatile and respected musician. The Master Sessions booklet comes complete with a easy-to-follow diagrams describing Jeff's set-up and includes fully-notated examples and exercises that correspond exactly to the DVD.
