JOE WALSH

Walsh, Joe
JOE WALSH
Joe Walsh, guitarist in legendary rock group the Eagles, is a much respected and inspirational rock 'n' roll musician. In this awesome and practical DVD lesson he takes you through how to set up your guitar for perfect intonation.
Far more than a standard tutorial, this instructional DVD covers aspects of guitar maintenance and set-up. From stringing your guitar to adjusting the truss rod and cleaning pots and pick-ups. Other contents include using a Slide, G and E tunings, perfect pitch and creating your own solos.
