KME IPS15 FISCO PASSIVE 2-WAY LOUDSPEAKER

The IPS 15 is a passive 2-way loudspeaker with a symmetric design, which is suitable for speech or for music reproduction as full range system with a strong bass response.

Sound:
- Smooth and balanced reproduction of the high frequencies
- Low acoustic feedback behaviour
- Natural and transparent sound

Application/Mounting:
- Designed for horizontal as well as for vertical mounting
- Designed for sound applications with higher level requirements (multipurpose hall, clubs and discos, smaller stadiums)
- Specially suited for music reproduction with extended bass response as full range system

Specifications:
